

**Sec. 1. CONSENT**

Consent means that:

1. The parent has been fully informed of all information relevant to the activity for which consent is sought, in his or her native language, or other mode of communication;
2. The parent understands and agrees in writing to the activity for which his or her consent is sought, and the consent describes that activity and lists the records (if any) that will be released and to whom; and
3. The parent understands that the granting of consent is voluntary on the part of the parent and may be revoked at any time. A revocation of consent is not retroactive.

If the parent revokes consent in writing for his or her child's receipt of services after the child is initially provided special education and related services, IDEA Public Schools is not required to amend the child's education records to remove any references to the child's receipt of services because of the revocation of consent.

*34 CFR 300.9.*
