

Sec. 2. STUDENTS IN GRADE 8 OR DE 19 TAC 101.3021(d)

Middle school students who complete STAAR EOC assessment requirements in a content area are required to take the ACT or the SAT at least once in high school to fulfill federal accountability requirements. (19 TAC 101.3011)

Sec. 3. ASSESSMENT REQUIREMENTS FOR GRADUATION

A student must meet satisfactory performance on a required EOC assessment only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

a) *Exceptions – English I or English II*

A student who was administered separate reading and writing EOC assessments for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 TAC 101.1007.

19 TAC 101.3022(b), (c).

b) *Exceptions – Credits Earned Prior to Enrollment*

2011–12 spring administration, the student is not required to take the corresponding EOC assessment. *19 TAC 101.3021(e), .3022.*

Sec. 4. SUBSTITUTE ASSESSMENTS

A student may use certain assessments as substitute assessments approved by the Commissioner of Education (“Commissioner”) in place of an EOC assessment to meet the student’s assessment graduation requirements. A satisfactory score on an approved substitute assessment may be used in place of only one specific EOC assessment, unless otherwise allowed under Commissioner rule.

A student at any grade level is eligible to use a substitute assessment in circumstances approved by the Commissioner if:

1. A student was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. A student received a satisfactory score on the substitute assessment as determined by the Commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative (TSI) assessment, a student also meets the following criteria:
 - a. A student must have been enrolled in a college preparatory course for English language arts or mathematics and have been administered an appropriate TSI assessment at the end of that course.
 - i. A student under this provision who meets all TSI English language arts score requirements under Commissioner rule satisfies both the English I and English II EOC assessment graduation requirements.
 - ii. A student under this provision may satisfy an assessment graduation requirement in such a manner regardless of previous performance on an Algebra I, English I, or English II EOC assessment.
 - b. A student who did not meet satisfactory performance on the Algebra I or English II EOC assessments after retaking the assessment may use the corresponding TSI assessment in place of that EOC assessment.
 - i. For a student under this provision who took separate reading and writing assessments for the English II EOC assessment and who did not meet the English II assessment graduation requirement using those tests as specified in Commissioner rule relating to assessment requirements for graduation, the separate TSI reading or writing assessment may not be used to substitute for the corresponding English II reading or writing EOC assessment.

A student electing to substitute an assessment for graduation purposes must still take the required EOC assessment if the student does not meet the eligibility requirements above. If a student sits for an EOC assessment, IDEA Public Schools may not mark the substitute assessment bubble for that administration.
