PART I – GENERAL INFORMATION AND INSTRUCTIONS

1. Introduction and Purpose

1.1. IDEA Public Schools and its affiliated charter schools in other states (IDEA) prepare students from underserved communities for success in college and citizenship. We are a growing network of 137 high-performing charter schools serving approximately 78,000 students located throughout the Austin, El Paso, Houston, Permian Basin, Rio Grande Valley, San Antonio, Tarrant County in Texas, as well as locations in Louisiana and Florida. IDEA Public Schools is planning to expand to Jacksonville, FL in 2022 and Cincinnati, OH in 2022. Although IDEA's growth is rapid, it is also carefully and well planned. Schools begin with select grade levels and grow as students advance to eventually reach full scale as a PreK–12 campus.

1.2. The mission of IDEA is College for All. IDEA serves primarily low-income students in underserved areas of both rural and urban communities. Over 80% of IDEA students are considered low-income and one of every three students is the first in their family to go to college. Since our first graduating class in 2007, 100% of our seniors have been accepted and matriculated to a college or university every year for fourteen consecutive years. Thanks to a rigorous path to college that begins in PreK, IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.
